FILM

“ Non-fiction author Walter falls for the physics student Agnes, who encourages him to pursue his dream of writing fiction. Walter embarks on a book about their love story. When he begins to write about “the future”, however, Agnes becomes his creation and the line between reality and imagination slowly vanishes. ”

## Synopsis

The non-fiction author Walter falls for the physics student Agnes. He is fascinated by her extreme attitude towards life and her reserved appearance, which is quite the opposite of his quiet and regular life. When Agnes encourages him to follow his passion for writing fiction, he starts to work on a book, a portrait of how he sees her.
