PLUTO
FILM

“ A story of a small Azerbaijani family, which is being shaken to the core by an inexplicable disappearance. ”

Synopsis

A small Azerbaijani family is shaken to the core by an incident. Father Samir, mother Fidan, and their eighteen-year-old son Machmud all seem to be independent-minded family members, but independence of spirit and action sometimes brings along estrangement, lack of understanding and compassion. The family beach trip turns out differently than expected.
