

# Sima's Song

PLUTO  
FILM

“ With the Cold War about to break out, young, lifelong friends Suraya and Sima must question their life choices and moral principles when they get involved in opposite sides of the conflict. ”

## Synopsis

In the bustling streets of 2023 Kabul, a group of fearless women protest against the Taliban Regime, screaming for bread, education, and freedom in unison. They are led by the resilient 65-year-old Suraya. The evocative melody from a rubab, performed by her granddaughter, transports us back to the past: 1978.
